No.1	5/16" & up	\$25.00 p. M
No.2	2/16" & up	20.00

Our quotations (Offer #8) on Barberry and Privet created considerable interest. Should you be in the market for carload or round lots please advise us as we can name you very attractive prices.

The same applies to Norway Spruce of which we are offered very desirable grafting and specimen stock.

We invite you to make liberal use of our offices when buying or selling nursery stock. Many producers who specialise in wholesale production file their prices with us regularly. You can only profit by soliciting our quotations.
